Exporters are warned that there are import prohibitions in some foreign countries, information regarding which can be obtained from the Department of Overseas Trade, 35, Old Queen Street, Westminster, S. There is no parcel post to *Esthonia*, *Jugo-Slavia* (except *Dalmatia*), *Lettland* (*Latvia*), *Lithuania*, *Poland*.

*Germany*.—Gift parcels sent by parcel post may enter Germany without import licence and also free from duty and taxes, provided they do not contain more than 2 kilos (70 ozs.) of tobacco.

*Russia* (*European*).—Conditions under which trading with European Russia will be permissible are at present under consideration.

## URGENT ORDERS.

The Import and Export Licensing Section, Board of Trade, announces that, in collaboration with the Department of Overseas Trade, an arrangement has been made whereby firms receiving orders which require immediate acceptance may telegraph details of any such order to the Department of Overseas Trade in order to ascertain whether a licence will be granted for the export of the goods if the order is accepted.

In the event of an applicant being promised a licence he will be enabled to deal with the order straightaway with the knowledge that upon application being made in the proper form to the Import and Export Licensing Section (Board of Trade) the licence will be granted.

The telegrams should be addressed to 'Orders, c/o Advantage, Stock, London.' They should give in each case in addition to the name and postal or telegraphic address of the applicant the quantity and description of the goods comprised in the order and the name and address of the ultimate consignee if the goods are destined for a neutral country. In the case of orders from Allied or British Territory or from Territory in the occupation of troops of the Associated Governments, the consignee need not be stated; and it will be sufficient merely to give the country of destination. A reply of 24 words (1/3) must be prepaid.

Applicants are requested in their own interest to confine their enquiries to orders needing a very urgent decision, since the fewer the enquiries the more promptly can answers be given.

Any subsequent correspondence that is necessary in connection with the telegraphic enquiries should be addressed to the Comptroller General, Department of Overseas Trade (Export Facilities Section), 35, Old Queen Street, Westminster, S. W. 1.

**Transhipment in the United Kingdom.**

INDIA—WEST COAST.

BOMBAY HARBOUR.

*Directions for Steam Vessels Entering the Port of Bombay.*

Steam Vessels of any draft entering Bombay Harbour either by day or night should experience no difficulties although the Pilot Schooner has been brought in from her original station and is now anchored off Sunk Rock, they should attempt always to make the Bombay Floating Light moored in the fairway (Lat. 18° 50′ N., Long. 72° 44′ 30″ E.) thence steer a course to bring Prongs Reef Buoy in transit with Sunk Rock at a distance of not less than one mile, then the course should be altered direct for the Pilot Schooner or one mile east of Sunk Rock. During the Monsoon when the weather may be such as to make it difficult for the Mariner to distinguish the more conspicuous marks or during the cold weather months when great smoke haze lies over the town and surrounding country, the best time to make the Port is an hour before sunrise, the lights then being visible will enable the Mariner to obtain an accurate position, and it should be remembered that the Light Vessel is fitted with a submarine bell, also that both Prongs Reef and Thull Shoal are marked by Gas Buoys.

2. Pilotage is compulsory, no vessel is allowed to proceed north of Sunk Rock; Naval Ships, Royal Indian Marine Ships and other Government Vessels being exempted. All vessels making the Port should show their nationality and name to Prongs Light House as soon as possible on which Light House a Watch is kept night and day.
